## Hours

7:30 AM - 6:00 PM  
Except Infants 8:00 AM - 5:30 PM  
Monday - Friday, year-round

The Child Development Center maintains its commitment:

- To provide young children a healthy, safe environment for learning with peers and adults.
- To encourage each child to grow and develop at his own pace and to feel good about himself as an individual and as a precious child of God.
- To offer children time to explore, time to ask questions, time to talk things out, time for fun, and time for rest.
- To present a professional staff who work together to establish positive, productive relationships with families and with each other.

## General Information

## Tuition

## Teaching Staff

Tuition covers most of the expenses of the Child Development Center. An annual registration fee of \$100 per child (\$150 for infants) is due with your family's enrollments forms. An annual supply fee of \$100 per child, which includes Parent Association membership, a child's CDC t-shirt, a school directory, age-appropriate activities such as daily Music & Movement, and back-to-school supplies is due August 1. We sponsor several family events throughout the year which are small fund-raisers and major fun.

For Preston Hollow United Methodist Church, the CDC is a mission to the community. The church supports that mission by providing facilities and gifts of time and prayer. We are governed by a Board of Directors consisting of elected church members and parent representatives. We are licensed by the State of Texas.

Our Parent Association meets regularly to discuss CDC policies and events. Frequent speakers add a rich dimension to our families' understanding of early childhood education.

## Enrichments

The CDC offers selected afternoon (3-5pm) enrichments, based on availability of "specialist" teachers, for additional, nominal fees. Enrichments may include fitness programs, Spanish, music, and computer skills for children 2 years and up.

### Full-Time Programs

3-11 Months (enrolled siblings only) M-F	\$850/mo
12-23 Months M-F	\$775/mo
2 Years M-F	\$750/mo
3-5 Years M-F	\$725/mo

### School Age (PK - Fourth Grade)

M-F (5 days) (Flat fee includes "early release" days)	\$250/mo
All-day DISD holidays, additional \$15/day	
Summer Camp	\$180/week

Preston Hollow UMC CDC staff are dedicated teachers who love young children. Our teachers have teaching experience, education and annual training in child development and the latest research in early childhood education. We are CPR and First Aid trained, as well. The CDC has a stable staff, who will continue to get to know your precious children over several years.

## Curriculum

Successful learning happens in age-appropriate interest centers through art, sensory exploration, imaginative play, manipulative, story-telling, listening and building activities. Games, music, language experiences, and motor development are included in daily routines. Chapel with a PHUMC pastor is part of our weekly curriculum for children 2 years and up. Children are encouraged to play independently as well as cooperatively, with emphasis on helping each child develop his/her cognitive, social, emotional, physical and spiritual potentials. Self-help skills are encouraged.
